AFFAIRS OF THE DISTRICT

Prof. Hill Criticises the New Trans-

fer Regulations.

Says They Are Against the Law, and

Asks How He Can Compel the

Traction Company to Give Him an

Exchange Ticket When Demand-

ed-A Complaint as to Noises.

Prof. George A. Hill, of the United

tates Naval Observatory, has written to

the Commissioners relative to the right of the Washington Traction and Electric

Company to issue certain regulations re-

garding transfers, and taking the ground that the said company has exceeded its le-

"Referring to the fact that the Wash-

ington Traction Company has issued cer-

tain instructions to its conductors, and also

has posted in its cars notices that trans-fers will be given only at the time the fare is paid, and a transfer will not be given on a transfer, I ask the Honorable Commissioners upon what authority of law the Washington Traction Company as-sumes the right to issue and enforce such instructions, as far as they dictate to a passenger the conditions under which a transfer will be issued, and also what ac-tion should be taken by a passenger upon

the transfer with be issued, and also what action should be taken by a passenger upon refusal of the conductor employed by that company to issue a transfer at any time it might be desired.

"The question of transfers from and to all connecting lines in the District of Countries has been definitely decided by the act of Congress of August 2, 1894, and it

ect of Congress of August 2, 1894, and it

seems somewhat strange that the interests of the public have not been protected, as the act declared they should be, in the present agitation of transfers.

"The Metropolitan and the Tenleytown Roads, the former and the Brightwood Roads, they have been to speak of cathers have been

Road, not to speak of others, have been brought within the central of the act by

the Washington Traction Company, when it secured permission to connect the several roads as it has done, so that cars may run from one to the other, and

one is surprised at the arrogance of that company in assuming to issue such in-structions to its employes, and totally to ignore the Commissioners who are the re-sponsible head in all municipal affairs in

the District.
"The part of the law that covers the whole question of transfers, to which I would invite your attention, will be found in section 5 of the act of August 2, 1894.

make reciprocal transfer arrangements with street rallroad companies whose lines now connect with its lines and to furnish such facilities therefor as the public con-

"The Metropolitan Railroad prior to the

The Metropolitan Railroad prior to the time it passed into the hands of the Washington Traction Company, and the latter since that time, has carried out the provisions of that law, as is the case with the Ninth Street line and the Columbia road,

and by question has ever been made in regard to transfers from one to the other. The following, which is the closing portion of the act mentioned, indicates that it was the intention of Congress, in the event of the control of the

the intention of Congress, in the event of any railroad in the District of Columbia making connection with another they should also issue transfers:

"Provided that every street railway company in the District of Columbia whose lines connect, or whose lines may hereafter connect with the lines of any other railroay company is hereby subject to the

arter connect with the lines of any other railway company, is hereby subject to the same requirements as to transfer and trackage arrangements, upon similar con-ditions, as in this section provided in the case of the Metropolitan Railway Com-

That the Metropolitan Railway Com-

# IN THE POLICE COURT

Of Sixteen Prisoners Arraigned Ten Are Women.

All of the Offenders Are Colored, and the Charges Mainly Disorderly Conduct, Profanity, and Vagrancy.

Huckster Fined for Selling Pota
Huckster Fined for Selling Pota-

ppearance in court.

George Montgomery and Sarah Campbell, olored, were arraigned on the complaint f Policeman Rollins, who alleged profanvis, appeared as the complaining witnesses

Daniel Harris, colored, entered pleas of not guilty when arraingned to answer charges of profanity and disorderly conduct and assault. The complainant appeared as Policeman Herbert. The alleged assault, he said, was of a trifling na-

guilty" to a charge of disorderly conduct and profanity. He answered in such emphatic terms that it appeared he had been badly abused, and more sinned against than sinning. It developed, however, after Policeman Aud had testified, that Thom"My letter is written chiefly in the in-

retrain potatoes by measure instead of by weight, contrary to and in violation of a corporation act of 1867. Hays admitted that he was guilty as charged and was ordered to pay a fine of \$2. Hays saved \$3. Cox to be absolutely false, but could not be controlled that he was guilty as charged and was ordered to pay a fine of \$2. Hays saved \$3. by standing trial as he was required to show wherein his accusation was true. At leave \$5 collateral when arrested for his all events Judge Mills accepted as correct

of Policeman Rollins, who alleged profanity and disorderly conduct. It was said that the man and woman quarreled in Four-and-a-half Street last night and used puch profane language toward each other that the neighborhood was aroused. Several attempts were made, it is said, to appear the profanity and claimed the disturbers with the result that auther the disturbers, with the result that their disorder increased, until finally Policeman Rollins was compelled to interfere. Judge Mills sent the defendants to the workhouse to keep each other company grew out of the fact that a dog owned by the fact that a dog owned by

ture, but the disorderly conduct was an aggravated case. Judge Mills imposed a sentence of fifteen days for the assault, and

Huckster Fined for Selling Potatoes by Measure Instead of Weight

The women were in the majority in the work work in the lower branch of the Police Court this morning. All told, there were sixteen defendants and of that number ten were women. There was not one white prisoner. The offences charged against those in the toils were of the usual character, including profanity and disorderly conduct, vagrancy, etc. There was one charge a little out of the ordinary and that was preferred against James Hays, of Chester Court, by Policeman Chrismore.

It was alleged against Hays that he sold certain potatoes by measure instead of by weight, contrary o and in violation of a grancy with profestive was arraigned, charges with profestive and washington of a grancy with profestive was arraigned, charges with profestive was arraigned.

Davis chased after a cat owned by Thorn,

case of the Metropolitan Railway Company and the lines connecting therewith." In joining the several separate roads, as has been done by switches and other connections, and also using the several tracks of those roads in common it would seem the Washington Traction Company has clearly brought the railroad so connected within the province of the act above quoted, and in view of that I would be gratified to be informed upon what grounds the Washington Traction Company assumes the responsibility of ignoring the law, and what action is necessary when I ask for a transfer on a transfer to compel them to give it to me." Dr. I. S. Stone, of 1449 Rhode Island Ave-

Dr. 1. S. Stone, of 1449 Knode Island Avenue northwest, has sent a communication to the Commissioners complaining of what he designates the unnecessary noises in connection with the collection of garbage. "Allow me to ask," he writes, " in the name of humanity that some method be adopted which will prevent the most atro-cious noises made in our alleys by the men who collect garbage. Every day we are annoyed by the carts which pass over the amonged by the data which pass over the rough pavement, but, worse than this, is the yelling of the men when they start or stop their horses. The blowing of the horns, the rattle of the carts, and the loud ordered that at the expiration of that term Harris be removed to the workhouse to serve fifteen days there for his disorder y conduct.

John Thomas, colored, answered "not guilty" to a charge of disorderly conduct and profanity. He answered in such early such as the serve first and profanity. He answered in such early such as the serve first and profanity. He answered in such early such as the rattle of the carts, and the loud voices, altogether constitute a perfect bediviouse, altogether constitute a perfect bedivious profession and the loud voices, altogether constitute a perfect bedivious profession and the loud voices, altogether constitute a perfect bedivious profession and the sick and nervous people it is the worst hour of the twenty-four and always dreaded by them. "It is heartless and cruel to permit this in such cases, but it is after all unnecessary, a bell could be provided, if necessary, at or near the backgate of each lot, which would ring in the kitchen, but even this should not be necessary for house kepers should be compelled to have garbacket.

"My letter is written chiefly in the in

Waldron & Bryant's latest success, the Trocadero Burlesque Company, will appear for the first time in this city at the Lyceum Theatre next week. The enterprising managers of this company have spared no time or expense to make this organization the strongest and best of its kind on the road. Only the best stars of the vaudeville and burlesque stage have been secured to form the company, and their offerings meet, wherever they appear with tramendous success. pear, with tremendous success and ap-

Among the best-known performers this great organization are: Smith and Champion, the funny German comedian and handsome soubrette; Cohen and Gardner, the perfection of sweet singers; Crawford and Washburn, Jack and Blanche, too well known for further mention; Minni Belle, in her novel musical and vocal skit Then comes Lew Palmer, the famous parody singer and clever imitator, and last but not least, Nelson, Glinserretti and De

monio, in their oddities and grotesque ac-robatic work, which far excels anything of its kind on the stage.

Besides these, there are twenty hand-some and shapely ladies who all assist in the different musical numbers and big acts among which are the Four Female Drum Majors, and gorgeous living pic-

barred From the Mails. A fraud order was issued yesterday

the Postmaster General he will receive a by the postal officials against the Egyptian etter which a Georgia boy is very anxious Drug Company, G. W. Williams, treasurer, should reach him prior to December 25. of 112 West Thirty-second Street, New it would give away valuable presents, and in response to enquiries made a condition that the writer should first purchase a 30-cent sack of Egyptian Regulator Tea.

The purchase being effected, the company would then inform the purchasers that the margin of profit was so small it would not admit of their giving any

States at Reichenberg, in a report to the State Department, tells of a noteworthy extension of the textile industry in Aus

"The eciton-textile business in Austria way, or projected. Some 8,000 cotton fooms will be added this year to the number in operation. The product of the spinning factories is also being increased to meet the augmented demand from the weaving machines. In Bohemia alone, the number of spindles will be increased by 150,000, which will produce her against 180.

which will produce per annum about \$2,000,000 worth of cotton yarn.

"As Austria has been importing cotton yarn to nearly that value, there is evidently occupation for the new spindles, even should the expectations of increased weaving be disappointed. It is probable, however, that the existing uncertain state of the cotton market, had it appeared sooner, would have checked these improvements; but they have now gone too far

"There is also marked, though not as great, activity in woolen and linen circles in the direction of extensions and new factories. In both these lines of industry, business has been unusually large during the past eighteen months, though profits have relatively declined; but to hold the trade it is found necessary to increase facilities for production, hence the activity have need which in mainly worked to here noted, which is specially marked in

northern Bohemia. Sentenced for Theft.

Recovered From Heat Stroke. Patrick O'Donohue, who was last night pr trated by the heat at the corner of Third and C streets northwest, and moved to the Emergency Hospital, was today discharged. The physicians at the hospital stated that though O'Donohue sufered from the heat, his condition primaril was due to the excessive use of alcoholics. I was not until several hours after his arrival at th hospital that O'Donohue was able to give hiname.

The charge of grand larceny, preferred yesterday against Willis P. Pittman and W. H. Farrington, jr., by George H. Friday, of the Cycle Exchange, at 740 Tenth street northwest, and which resulted in the arrest of the accused young men, was today nol-prossed in the Police Court. The action was taken by Assistant District Attorney Semmes, af-ter Attorney Albert Sillers, for the defendants, ter Attorney Albert Sillers, for the defendants, had explained the nature of a certain business disagreement, out of which the charges made by Friday grew. It developed, according to statements made to Assistant District Attorney Seumes, that Pittman and Friday were partners in the bicycle business, and that the former had taken his own property, and was not guilty of larceny. It was alleged by Friday that Pittman stole three bicycles valued at \$54. Farrington, it was shown, was in no way connected with the charge.
